## Frequently Asked Questions

---

Do you have any questions about your insurance? The frequently asked questions below are here to help you make an informed decision.

### What is Cyber Liability Insurance?

“Cyber” Liability is insurance coverage specifically designed to protect a business or organization from:

- Liability claims involving the unauthorized release of information for which the organization has a legal obligation to keep private or confidential
- Liability claims alleging invasion of privacy and/or copyright/trademark violations in a digital, online or social media environment
- Liability claims alleging failures of computer security that result in deletion/alteration of data, transmission of malicious code, denial of service, etc.
- Defense costs in State or Federal regulatory proceedings that involve violations of privacy law; and
- The provision of expert resources and monetary reimbursement to the Insured for the out-of-pocket (1st Party) expenses associated with the appropriate handling of the types of incidents listed above

The term “Cyber” implies coverage only for incidents that involve electronic hacking or online activities, when in fact this product is much broader, covering private data and communications in many different formats – paper, digital or otherwise.

### What does Privacy Liability cover?

The Privacy Liability insuring agreement in our policy goes beyond providing liability protection for the Insured against the unauthorized release of Personally Identifiable Information (PII), Protected Health Information (PHI), and corporate confidential information like most popular “Data Breach” policies. Rather, our policy provides true “Privacy” protection in that the definition of **Privacy Breach** includes violations of any rights to privacy (e.g., person’s right of publicity or disclosure of private information). Because information lost in every data breach may not fit State or Federal-specific definitions of PII or PHI, our policy helps to fill these potentially costly gaps. This is a key provision that truly sets the BCS Cyber and Privacy Liability Policy apart from others.

### What does Privacy Regulatory Claims Coverage cover?

The Privacy Regulatory Claims Coverage insuring agreement provides coverage for both legal defense and the resulting fines/penalties emanating from a **regulatory claim** made against the Insured, alleging a privacy breach or a violation of a Federal, State, local or foreign statute or regulation with respect to privacy regulations.

### What does Security Breach Response Coverage cover?

This 1st Party coverage reimburses an Insured for costs incurred in the event of a security breach of personal, non-public information of their customers or employees. Examples include:

- The hiring of a public relations consultant to help avert or mitigate damage to the Insured's brand
- IT forensics, customer notification and 1st Party legal expenses to determine the Insured's obligations under applicable Privacy Regulations
- Credit monitoring expenses for affected customers

Our policy can extend coverage even in instances where there is no legal duty to notify if the Insured feels that doing so will mitigate potential brand damage (such voluntary notification requires prior written consent).

### What does Security Liability cover?

The Security Liability insuring agreement provides coverage for the Insured for allegations of a "Security Wrongful Act", including:

- The inability of a third-party, who is authorized to do so, to gain access to the Insured's computer systems
- The failure to prevent unauthorized access to or use of a computer system, and/or the failure to prevent false communications such as "phishing" that results in corruption, deletion of or damage to electronic data, theft of data and denial of service attacks against websites or computer systems of a third party
- Protects against liability associated with the Insured's failure to prevent transmission of malicious code from their computer system to a third party's computer system

### What does Multimedia Liability cover?

The Multimedia Liability insuring agreement provides coverage against allegations that include:

- Defamation, libel, slander, emotional distress, invasion of the right to privacy, copyright and other forms of intellectual property infringement (patent excluded) in the course of the Insured's communication of media content in electronic (website, social media, etc.) or non-electronic forms

Other "Cyber" insurance policies often limit this coverage to content posted to the Insured's website. Our policy extends what types of media are covered as well as the formats where this information resides.

### What does Cyber Extortion cover?

The Cyber Extortion insuring agreement provides:

- Expense and payments to a harmful third party to avert potential damage threatened against the Insured such as the introduction of malicious code, system interruption, data corruption or destruction or dissemination of personal or confidential corporate information.

### What does Business Income and Digital Asset Restoration cover?

The Business Income and Digital Asset Restoration insuring agreement provides for lost earnings and expenses incurred because of a security compromise that leads to the failure or disruption of a computer system, or, an authorized third-party's inability to access a computer system. Restoration costs to restore or recreate digital (not hardware) assets to their pre-loss state are provided for as well. What's more, the definition of **Computer System** is broadened to include not only systems under the Insured's direct control, but also systems under the control of a **Service Provider** with whom the Insured contracts to hold or process their digital assets.

### What is "PCI-DSS Assessment" coverage?

The Payment Card Industry Data Security Standard (PCI-DSS) was established in 2006 through a collaboration of the major credit card brands as a means of bringing standardized security best practices for the secure processing of credit card transactions. Merchants and service providers must adhere to certain goals and requirements in order to be "PCI Compliant," and under specific agreements, may subject an Insured to an "assessment" for breach of such terms. The BCS Cyber and Privacy Liability Policy responds to PCI assessments as well as claims expenses in the wake of a breach involving cardholder information.

### What is Cyber Deception coverage?

The Cyber Deception extension, if the applicant is eligible and if purchased for an additional premium, provides coverage for the intentional misleading of the Applicant by means of a dishonest misrepresentation of a material fact contained or conveyed within an electronic or telephonic communication(s) and which is relied upon by the Applicant believing it to be genuine. This is commonly known as "spear-phishing" or "social engineering".

### Who is RPS?

RPS is the exclusive Managing General Agent for the specialized Cyber insurance quotation your agent has provided herein. ### How is this policy better than other options in the marketplace?

As with any insurance policy, what sets our coverage apart lies in the definitions and exclusions in the policy. The BCS Cyber and Privacy Liability Policy offers comprehensive critical terms such as **Privacy Breach**, **Computer System**, and **Media Content**. These definitions, along with the absence of some industry-standard exclusions and a drastically streamlined application process, make this policy more comprehensive and easier to access than the typical cyber policy available from traditional sources.

### Isn't this already covered under most business insurance plans?

The short answer is "No". While liability coverage for data breach and privacy claims has been found in limited instances through General Liability, Commercial Crime and some D&O policies, these forms were not intended to respond to the modern threats posed in today's 24/7 information environment. Where coverage has been afforded in the past, carriers (and the ISO) are taking great measures to include exclusionary language in form updates that make clear their intentions of **not covering these threats**. Additionally, even if coverage can be found in rare instances through other policies, they lack the expert resources and critical 1st Party coverages that help mitigate the financial, operational and reputational damages a data breach can inflict on an organization.

### Are businesses required to carry this coverage?

While there is presently no law that requires a business or organization to carry Cyber Liability, there is a national trend in business contracts for proof of this coverage. In addition, the SEC is encouraging disclosure of this coverage as a way of demonstrating sound information security risk management. Laws such as HIPAA-HITECH and Gramm-Leach-Bliley and state-specific data breach laws are continually driving demand as requirements for notification in the wake of a data breach become more expensive.

### Do small businesses need this coverage?

The Symantec 2014 Internet Security Threat Report reports that small businesses accounted for 30% of targeted spear-phishing attacks in 2013. In 2012, Verizon reported that approximately 40% of all data breaches that year occurred among companies with fewer than 100 employees. Even more alarming is the fact that 60% of companies that have been a victim of cyber-attacks are out of business within six months. While breaches involving public corporations and government entities garner the vast majority of headlines, it is the small business that can be most at risk. With lower information security budgets, limited personnel and greater system vulnerabilities, small businesses are increasingly at risk for a data breach.

### If e-commerce functions such as payment processing or data storage are outsourced, is this coverage still needed?

The responsibility to notify customers of a data breach or legal liabilities associated with protecting customer data, remain the responsibility of the Insured. Generally speaking, business relationships exist between Insureds and their customers, not their customers and the back-office vendors the Insured uses to assist them in their operations. Outsourcing business critical functions such as payment processing, data storage, website hosting, etc. can help insulate Insureds from risk, however, the contractual agreement wording between Insureds, their customers and the vendors with whom they do business will govern the extent to which liability is assigned in specific incidents.

### What is the cost of not buying the coverage and self-insuring a data breach?

The Ponemon Institute, a well-known research firm, publishes an annual "Cost of a Data Breach" report. In partnership with IBM, the 2014 report indicated that the average cost paid for each lost or stolen record is \$201. These numbers are reflective of both the indirect expenses associated with a breach (time, effort and

other organizational resources spent during the data breach resolution, customer churn, etc.), as well as direct expenses (customer notification, credit monitoring, forensics, hiring a law firm, etc.).

Because every breach is different, and the per-capita cost of a breach depends largely on the number of records compromised, it is helpful for small to mid-sized organizations to start with a lower number of \$65/record, (the average direct costs associated with a breach in the Ponemon study) – multiply this number by the estimated number of records containing PII, PHI or financial account information in the Insured's control. By engaging in this simple exercise, businesses quickly understand the financial value of implementing cyber insurance as a risk transfer vehicle. More information can be found at [www.ponemon.org](http://www.ponemon.org).

### **How can I tell which states are on an admitted form vs a non-admitted form?**

Most States are on the admitted paper and written through BCS Insurance Company. For those remaining states where the admitted filings are still in process, the forms will be written through Lloyd's of London. Currently, all states are written on admitted paper except: CT, NJ, NY, VT.

### **Who is the insurance carrier?**

The BCS Cyber and Privacy Liability Policy is underwritten by BCS Insurance Company and powered by and with the backing of certain syndicates at Lloyd's of London. BCS Insurance Company is a licensed insurance company in all states, Puerto Rico and the District of Columbia. BCS Insurance Company provides value through a solid foundation of strong governance, national and international capabilities and product and industry expertise and is rated A- (Excellent) by A.M. Best. BCS Insurance has been in business for over 60 years. It is a wholly owned subsidiary of BCS Financial Corporation which, in turn, is owned by all Blue Cross Blue Shield primary licensees. BCS Insurance Company's relationship with certain syndicates at Lloyd's of London brings additional strength, stability and industry-leading expertise to the RPS cyber insurance program.

### **What is the claims-handling process?**

A 24-hour data breach hotline is available to report incidents or even suspected incidents. As soon as you suspect a data breach incident or receive notice of a claim, you should call the hotline listed in your policy. This hotline is manned by Baker Hostetler, a world-wide leading privacy law firm with experience in handling thousands of data breach events. Immediately after calling the hotline, you are required to send notice to Clyde & Co., the designated legal firm that has been contracted to triage initial notices in this regard. This can be done by sending an email with a brief description of the incident, including your contact information, to the claims-reporting email address listed in your policy. Your agent, as well as the in-house BCS claims team, will receive notification of the incident (or any third-party claim) as well. It is critical that you immediately report any and all incidents that you believe could give rise to a claim of any kind under this policy.

- C. ## VII. RETENTIONS

The retention for each Coverage is stated in the Policy. The applicable retention shall be first applied to "Damages", "Claim Expenses", "Losses", "Crisis Management Costs" and "Breach Response Costs" covered by this Policy and "You" shall make direct payments within the retention to appropriate other parties designated by "Us". With respect to Coverage C and F, the retention shall be satisfied by "Your" payments of "Crisis Management Costs" and "Breach Response Costs" resulting from a "Security Breach" that occurred during the "Policy Period" and is reported by "You" to "Us" during the "Policy Period" or "Extended Reporting Period". At "Our" sole and absolute discretion, "We" may pay all or part of the applicable retention, in which case "You" agree to repay "Us" immediately after "We" notify "You" of the payment. The applicable retention shall first be applied to any "Loss" covered by this Policy that is paid by "Us", or by "You" with "Our" prior written consent.

## VIII. EXTENDED REPORTING PERIOD

- A. Basic "Extended Reporting Period": In the event of cancellation or non-renewal of this Policy by "You" or "Us", an "Extended Reporting Period" of sixty (60) days immediately following such cancellation or non-renewal shall be automatically granted hereunder at no additional premium. Such "Extended Reporting Period" shall cover "Claims first made and reported to "Us" during such sixty (60) day "Extended Reporting Period" but only in respect of any act, error, or omission committed prior to the date of cancellation or non-renewal, and subject to all other terms, conditions, and exclusions of this Policy. Optional "Extended Reporting Period": In the event of cancellation or non-renewal of this Policy by "You" or "Us", "You" shall have the right, upon payment in full and not proportionally or otherwise in part, of hundred percent (100%) of the annual premium shown in the Policy, to have issued an endorsement providing a twelve (12) month optional "Extended Reporting Period" from the cancellation or non-renewal date.
  1. Such optional "Extended Reporting Period" shall cover "Claims" made and reported to "Us" during this optional "Extended Reporting Period", but only in respect of any "Claim" arising out of any act, error, or omission committed prior to the date of cancellation or non-renewal, and subject to all other terms, conditions, and exclusions of the Policy.

2. In order for "You" to invoke the optional "Extended Reporting Period", the payment of additional premium as stated in this provision must be paid to "Us" within thirty (30) days of the non-renewal or cancellation.
3. At the commencement of the optional "Extended Reporting Period", the entire premium shall be deemed fully earned, and in the event "You" terminate the optional "Extended Reporting Period" for whatever reason prior to its natural expiration, "We" will not be liable to return any premium paid for the optional "Extended Reporting Period".

C. Terms and conditions of basic and optional "Extended Reporting Period"

1. At renewal of this Policy, "Our" quotation of different premium, retention or limit of indemnity or changes in policy language shall not constitute non-renewal by "Us" for the purposes of granting the optional "Extended Reporting Period".

3. The limit of liability for the "Extended Reporting Period" shall be part of, and not in addition to, the limit of liability for the "Policy Period".
4. All notices and premium payments with respect to the "Extended Reporting Period" shall be directed to "Us" through the entity named in the Policy.

## **IX. TERMS AND CONDITIONS**

### **A. NOTICE OF CLAIM OR CIRCUMSTANCE THAT MIGHT LEAD TO A CLAIM**

1. If any "Claim" is made against "You" during the "Policy Period", then as soon as practicable after "You" become aware of such "Claim", "You" must forward to "Us" through persons named in the Policy every demand, notice, summons or other process "You" or "Your" representative receive.
2. If during the "Policy Period", "You" becomes aware of any act, error or omission that might reasonably give rise to a "Claim" or "Loss", "You" must give written notice to "Us" through persons named in the Policy as soon as practicable during the "Policy Period" of:

Any subsequent "Claim" made against "You" arising out of such act, error or omission or "Loss" which is the subject of the written notice will be deemed to have been made at the time written notice complying with the above requirements was first given to "Us".

3. A "Claim" or "Loss" shall be considered to be reported to "Us" when notice is first given to "Us" through persons named in the Policy or when notice of a Wrongful Act which might reasonably give rise to a "Claim" is first provided in compliance with IX.A.2 above.
4. If "You" report any "Claim", "Loss" or request any payment under this Policy knowing such "Claim", "Loss" or request to be false or fraudulent, as regards amounts or otherwise, this Policy shall become null and void and all coverage hereunder shall be forfeited.

5. Whenever coverage under this Policy would be lost because of non-compliance of Section IX.A.1. relating to the giving of notice of "Claim" or "Loss" to "Us" with respect to which any other of "You" shall be in default solely because of the failure to give such notice or concealment of such failure by one or more "You" responsible for the loss or damage otherwise insured hereunder, then "We" agree that such insurance as would otherwise be afforded under this Policy shall cover and be paid with respect to those of "You" who did not personally commit or personally participate in committing or personally acquiesce in such failure to give notice, provided that those of "You" entitled to the benefit of this provision under Section IX.A.1. have complied with such condition promptly after obtaining knowledge of the failure of any others of "You" to comply therewith, and any such "Claim" or "Loss" was reported during the "Policy Period" or "Extended Reporting Period", if applicable.

However, such insurance as afforded by this provision shall not cover a "Claim" or "Loss" against "Your Organization" if a current principal, partner, director, or officer failed to give notice as required by Section IX.A.1. for a "Claim" or "Loss" against "Your Organization" arising from acts, errors, or omissions that were known to a current principal, partner, director, or officer.

## **B. ASSISTANCE AND COOPERATION**

1. "You" shall cooperate with "Us" in all investigations. "You" shall execute or cause to be executed all papers and render all assistance as requested by "Us". Part of this assistance may require "You" to provide soft copies of "Your" system security and event logs.
2. Upon "Our" request, "You" shall assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to "You" because of acts, errors, or omissions with respect to which insurance is afforded under this Policy; and "You" shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses.
3. "You" shall not admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment or award or dispose of any "Claim" without "Our" written consent, unless otherwise provided under Section II.
4. As soon as practicable after "You" give "Us" notice of any "Claim", circumstance, "Loss", or "Security Breach", "You" must also give "Us" copies of reports, photographs, investigations, pleadings and all other papers in connection therewith, including allowing "Us" to question "You" under oath at such times as may be reasonably required regarding "Your Organization's" books, records, and any other matters relating to such "Security Breach" or "Claim".
5. In the event of a "Security Breach" or "Loss", "You" must take all reasonable steps to protect "Computer Systems" and personally identifiable, non-public information from further access, disclosure, loss or damage.

## **C. DUTIES**

### **1. DUTIES IN THE EVENT OF A CYBER EXTORTION THREAT (applicable to Coverage F only)**

"You" must assure that the following are done if "You" notify "Us" of a "Cyber-Extortion Threat":

- a. "You" must keep the terms under Coverage F. confidential, to be shared only with necessary management and potential law enforcement authorities in the course of responding to a Cyber-Extortion Threat; and

Within three (3) business days of any "Cyber-Extortion Threat", "You" must keep "Us" fully informed of all developments, including any demands.

## 2. DUTIES IN THE EVENT OF A LOSS (applicable to Coverage G only)

"You" must assure that the following are done if "You" send "Us" a "Loss" notification:

- b. Immediately take all reasonable steps and measures necessary to limit or mitigate the "Loss";
- c. Send "Us" copies of every demand, notice, summons, or any other applicable information "You" receive;
- d. If requested, permit "Us" to question "You" under oath at such times and places as may be reasonably required about matters relating to this insurance, including "Your" books and records;

## D. SUBROGATION

In the event of any payment under this Policy, "You" agree to give "Us" the right to any subrogation and recovery to the extent of "Our" payments. "You" agree to execute all papers required and will do everything that is reasonably necessary to secure these rights to enable "Us" to bring suit in "Your" name. "You" agree to fully cooperate in "Our" prosecution of that suit. "You" agree not to take any action that could impair "Our" right of subrogation without "Our" written consent whether or not "You" have incurred any un-reimbursed "Loss". Any recoveries shall be applied first to subrogation expenses, second to "Damages" and "Claim Expenses" paid by "Us", and third to the Retention. Any additional amounts recovered shall be paid to "You".

## E. INSPECTIONS AND SURVEYS

"We" may choose to perform inspections or surveys of "Your" operations, conduct interviews and review documents as part of our underwriting, our decision whether to provide continued or modified coverage, or our processing of any "Loss". If "We" make recommendations as a result of these inspections, "You" should not assume that every possible recommendation has been made or that "Your" implementation of a recommendation will prevent a "Loss". "We" do not indicate by making an inspection or by providing "You" with a report that "You" are complying with or violating any laws, regulations, codes or standards.

## F. OTHER INSURANCE

This insurance shall apply in excess of any other valid and collectible insurance available to "You", including any retention or deductible portion thereof, unless such other insurance is written only as specific excess insurance over the Limit of Liability of this Policy.

**G. ACTION AGAINST US**

No action shall lie against “Us” or “Our” representatives unless, as a condition precedent thereto:

1. there shall have been full compliance with all terms of this insurance; and
2. until the amount of “Your” obligation to pay shall have been finally determined either by judgment or award against “You” after trial, regulatory proceeding, arbitration or by written agreement between “You”, the claimant, and “Us”.

Any person or organization or the legal representative thereof who has secured such judgment, award, or written agreement shall thereafter be entitled to make a “Claim” under this Policy to the extent of the insurance afforded by this Policy. No person or organization shall have the right under this Policy to join “Us” as a party to an action or other proceeding against “You” to determine “Your” liability, nor shall “We” be impleaded by “You” or “Your” legal representative.

“Your” bankruptcy or insolvency shall not relieve “Us” of our obligations hereunder.

**H. ENTIRE AGREEMENT**

By acceptance of the Policy, “You” agree that this Policy embodies all agreements between “You” and “Us” relating to this insurance. Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or stop “Us” from asserting any right under the terms of this Policy; nor shall the terms of this Policy be waived or changed, except by endorsement issued to form a part of this Policy signed by “Us”.

**I. NEW SUBSIDIARIES/CHANGES IN NAMED INSURED OR YOUR ORGANIZATION**

1. During the “Policy Period”, if “You” acquire another corporation whose annual revenues are more than fifteen percent (15%) of “Your Organization’s” annual revenues as set forth in its most recent audited financial statements there shall be no coverage under this Policy for acts, errors, or omissions committed or allegedly committed by the newly acquired “Subsidiary” unless “You” give “Us” written notice of the acquisition containing full details thereof, and “We” have agreed to add coverage for the newly acquired “Subsidiary” upon such terms, conditions, and limitations of coverage and such additional premium as “We”, in “Our” sole discretion, may require.
2. During the “Policy Period”, if the Named Insured consolidates or merges with or is acquired by another entity, or sells substantially all of its assets to another entity, or a receiver, conservator, trustee, liquidator, or rehabilitator, or any similar official is appointed for or with respect to the Named Insured, then all coverage under this Policy shall continue to the expiration of the “Policy Period” but only for losses, acts, errors, or omissions that occurred prior to the date of such consolidation, merger or appointment.
3. Should a corporation cease to be a “Subsidiary” after the inception date of this Policy, coverage with respect to such corporation shall continue as if it was still a “Subsidiary” until the expiration date of this Policy, but only with respect to a “Claim” that arises out of any act, error, or omission committed such corporation prior to the date that it ceased to be a “Subsidiary”.
4. All notices and premium payments made under this paragraph shall be directed to “Us” through the entity named in the Policy.

**J. ASSIGNMENT**

“Your” interest under this Policy may not be assigned to any other person or organization, whether by operation of law or otherwise, without our written consent. If “You” shall die or be adjudged incompetent, such insurance shall cover “Your” legal representative “You” as would be covered under this Policy.

#### K. CANCELLATION AND NON-RENEWAL

This Policy may be cancelled or non-renewed by "You" at any time on request by sending a prior written notice to "Us" stating when thereafter the cancellation will be effective.

1. "We" may not cancel this Policy, except for nonpayment of Premium. If "We" cancel this Policy for non-payment of Premium, "We" will provide "You" with at least twenty (20) days advance written notice.
2. If this Policy is cancelled by "You", "We" shall refund the unearned Premium computed in accordance with the customary short rate table. If this Policy is cancelled by "Us", the refund of paid Premium shall be computed pro-rata. Payment or tender of any unearned Premium by "Us" shall not be a condition precedent to the effectiveness of such termination, but such payment shall be made as soon as practicable. No Premium will be refunded where any "Claims" or circumstances have been notified under this Policy.
3. "We" may non-renew this Policy by providing "You" with at least sixty (60) days written notice before the expiration date. If the notice is given less than sixty (60) days before expiration, Coverage will remain in effect until sixty (60) days after notice is mailed. The Premium due for any period of Coverage that extends beyond the expiration date will be determined pro-rata based upon this Policy's total Premium for the expiring Policy Period.
4. Any offer to renew this Policy on terms involving a change in Retentions, Limit of Liability, Premium or other terms or conditions will not constitute a refusal to renew this Policy.

#### L. WORDS AND TITLES OF PARAGRAPHS

The titles of paragraphs, section, provisions, or endorsements of or to this Policy are intended solely for convenience and reference, and are not deemed in any way to limit or expand the provisions to which they relate and are not part of the Policy. Whenever the singular form of a word is used herein, the same shall include the plural when required by context.

#### M. NAMED INSURED AUTHORIZATION

The Named Insured first specified in the Policy has the right and duty to act on "Your" behalf for:

1. The giving and receiving of all notices relating to this insurance;
2. The payment of premiums, including additional premiums;
3. The receiving of any return premiums;
4. The acceptance of any endorsements added after the effective date of coverage;
5. The payment of any retentions;
6. The receiving of any loss payments; and
7. Otherwise corresponding with "Us".

#### N. REPRESENTATIONS BY YOU

By acceptance of this Policy, "You" agree that the statements contained in the "Application", any "Application" for coverage of which this Policy is a renewal, and any supplemental materials submitted therewith, are "Your" agreements and representations, that they shall be deemed material to the risk assumed by "Us", and that this Policy is issued in reliance upon the truth thereof.

The misrepresentation or non-disclosure of any matter by "You" or "Your" agent in the "Application", any "Application" for coverage of which this Policy is a renewal, or any supplemental materials submitted therewith will render the Policy null and void and relieve "Us" from all liability under the Policy.

**O. SERVICE OF SUIT CLAUSE (U.S.A.)**

1. It is agreed that in the event of "Our" failure to pay any amount "Claimed" to be due under this Policy, at "Your" request "We" will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this clause constitutes or should be understood to constitute a waiver of "Our" rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or seek a transfer of a case to another court as permitted by the laws of the United States or any state in the United States. It is further agreed that service of process in such suit may be made upon "Our" representative, designated in the Policy, and that in any suit instituted against any one of "Us" upon this contract; "We" will abide by the final decision of such court or of any appellate court, in the event of an appeal.
2. "Our" representative designated in the Policy is authorized and directed to accept service of process on "Our" behalf in any such suit and/or upon "Your" request to give a written undertaking to "You" that they will enter a general appearance upon "Our" behalf in the event such a suit shall be instituted.
3. Pursuant to any statute of any state, territory, or district of the United States which makes provision therefore, "We" hereby designate the Superintendent, Commissioner, or Director of Insurance or other officer specified for that purpose in the statute, or his successor in office, as "Our" true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of "You" or any beneficiary hereunder arising out of this Policy, and hereby designate "Our" representative listed in the Policy as the person to whom the said officer is authorized to mail such process or a true copy thereof.

**P. CHOICE OF LAW**

Any disputes involving this Policy shall be resolved applying the law designated in the Policy.

**Q. ARBITRATION**

Any controversy arising out of or relating to this policy or the breach, termination or invalidity thereof shall be settled by binding arbitration in accordance with the commercial arbitration rules, but not the authority or jurisdiction, of the American Arbitration Association (herein "AAA") then in effect. "We" and the Named Insured shall each appoint an arbitrator. Each arbitrator must be disinterested other than the Named Insured or any present or former officers or directors of the Insured. As soon as one party notifies the other of its demand for arbitration and names its arbitrator, the other party agrees to name its arbitrator within thirty (30) days of said notice. Within thirty (30) days of the naming of the second arbitrator, the two arbitrators will select a third arbitrator to be chairman of the panel, other than the Named Insured or any present or former officers or directors of the Insured. Should the two arbitrators not be able to agree on a choice of the third, then the Chief Judge of the chosen competent jurisdiction will make the appointment of such third arbitrator. None of the arbitrators may be current or former officers, directors, or employees of the Named Insured or "Us." The three arbitrators will comprise the arbitration panel for the purposes of this Policy.

Each party to this policy will submit its case with supporting documents to the arbitration panel within thirty (30) days after appointment of the third arbitrator. However, the panel may agree to extend this period for a reasonable time. Unless extended by the consent of the parties, the majority of the three arbitrators will issue a written decision resolving the controversy before them within thirty (30) days of the time the parties are required to submit their cases and related documentation. The arbitrators' written decision will state the facts reviewed, conclusions reached and the reasons for these conclusions. That decision will be final and binding upon the parties in any court of competent jurisdiction.

Each party will pay the fees and expenses of its arbitrator, unless otherwise agreed by the parties. The remaining costs of arbitration will be shared equally by the parties.

Arbitration will take place in a competent jurisdiction agreed to by the parties.

Any disputes involving this Policy shall be resolved applying the substantive law as designated in Item 11. of the Declarations.

In witness whereof, the company has caused this policy to be signed by its Secretary and its President at Oakbrook Terrace, Illinois.
